CHRISTMAS COLLECTION

In December the Explorers took part in a Christmas Collection with the one and only

FATHER CHRISTMAS!!!

Yet again children were happy and excited to see him (and his bag of sweets) and residents in the area were subsequently happy to provide donations and help the Explorers to assist with fundraising for the 4th Walton on the Hill Group.

EXPLORER CHRISTMAS MEAL

Well last year's meal was

another success and the Explorers enjoyed a relatively civilised meal at the Princess Gardens. The food was thoroughly enjoyed (even if it was a Chinese restaurant and the majority of our food orders were English – including Steak&Chips!!). The evening went well and the tradition is now well and truly established, although there was fun and games when it came to payment at the end of the night. Not a single Explorer had the right change and so the manager was repeatedly asked for “CHANGE OF A TEN” & was quickly cleared out of one pound coins.
