

# EXPLORER EXPRESS

With 2 Explorers back from their trip to the World Jamboree, the rest of the Explorers are ensuring that plans are made so the remainder of the Centenary Year is fully enjoyed.

## 21<sup>st</sup> WORLD SCOUT JAMBOREE

Walton on the Hill Explorers would like to express how proud they are of members **Jack Roberts** and **Harry Wanless** who recently attended the 21<sup>st</sup> World Scout Jamboree in Hylands Park, Essex. Both Explorers have stated they had a wonderful time, which was an experience that they will never forget.

Please see their report in this edition of Around the Hill, which states that they would be happy to come and speak to groups about their experience and hopefully encourage others to attend future Jamborees.

## FUTURE PLANS

Explorers have made a number of plans for the coming months, which include

- Learning Sign Language
- Basic Car Maintenance
- Feast of the Lanterns
- January Camp (when they can hopefully obtain their Penguin Badge!!!)

## KNOWSLEY EXPLORER LINKS

Following the Explorers evening at Awesome Walls with the Knowsley Explorer Unit links have now been forged and there are plans ahead to join some upcoming activities with them including Young Leader Training, Bowling and a trip Dry Slope Skiing.

## EXPLORER CHRISTMAS MEAL

Yet again the Explorers have decided to keep this yearly tradition and following a short debate the venue for this year has been decided for:

**The Buffet Star  
Liverpool**

**Tuesday December 18<sup>th</sup> 2007**

Let's hope this year is another success.

## CLASSIFIEDS
